

## LEAP Fund Overview

As part of our tenth anniversary celebration in 2013, Women’s Impact Fund established the Leadership, Education, and Philanthropy (LEAP) Fund. The purpose of this restricted fund is to “strengthen the essential educational mission of Women’s Impact Fund by providing resources for speakers, staff support, technology enhancements, and other strategic initiatives.” The LEAP Fund provides much-needed flexibility to take strategic leaps forward in our collective impact; disbursements require board approval.

In 2013-2014, almost \$156,000 was raised from WIF members to create the LEAP Fund. These funds have been used as intended – leading to strategic, transformational, long-term change for Women’s Impact Fund. You can see a sample of these investments highlighted below. As of August 2023, there was \$2,596 remaining in the LEAP Fund.

In celebration of our twentieth anniversary in 2023-2024 the Board of Directors sought to “re-raise” the LEAP Fund. We raised more than \$87,000 during this milestone year. These funds will be used for strategic investments at board discretion in the coming years.

The LEAP Fund is open for additional giving during certain occasions. Pending board priorities, we anticipate raising additional funds in celebration of our 25<sup>th</sup> Anniversary in 2028-2029.
